Dear Darkroast Team,

I am writing to express my interest in the **Graphic Designer** position at **Darkroast**. I am a highly skilled and creative graphic designer, and I believe I would be a great addition to your team. Below, I'll explain why I'm the right fit for this role and share my portfolio and relevant work experience.

Why Me?

- **Recent Review:**

Michael Cupps (mcupps@timebandit.io), shared this feedback:

"Jay is very adept at technical elements of marketing. He also has a design skill, that is helpful with the web tech capabilities. He was always prompt and attentive to details. The company that hires Jay will be fortunate to have a well-rounded employee that can address many areas of need."

- **My Commitment:**

In line with DarkRoast's values of flexibility and openness, I am happy to offer myself as a **trainee or volunteer** for a month. During this time, I am confident you will find my work aligns with your expectations, and we can discuss a long-term collaboration. I value the opportunity to demonstrate my commitment and work ethic without any immediate commitment from your side.

- **Quick Learner:**

I am a quick learner with excellent grasping power, which allows me to adapt rapidly to new tasks and environments while delivering high-quality results.

- **Mock Test Willingness:**

I am ready to pass a mock test to demonstrate my skills and suitability for this opportunity.
